

Eldorado

ES | GS | VS

The Eldorado was crafted from the spacious mold of the Monarch spa. It has the same deep, comfortable captain's chair, but what distinguishes the Eldorado is the no-float lounger.

Not only does this 7' spa allow you to put your feet up, but there are also jets for the entire body: neck, back, hamstrings, calves, and the feet. It's truly all-inclusive and totally relaxing. Unique styling and seat positioning in the Eldorado allows ample room for five adults.
